

WES CRISPY CRUNCH

Complementary feed for horses

Muesli for sport and leisure horses

PRODUCT INFORMATION

- Highly energetic and sugar-reduced muesli
- Optimal supplement to our mineral and muscle building feed WES Bodyguard or WES All in One
- For muscle building and health
- High content of the essential amino acids lysine, methionine and threonine
- Starch/sugar content < 9 %
- Very good acceptance
- Energy content of 12 MJ ME/kg
- Not mineralized
- Free from added sugar, grains & alfalfa

FEEDING RECOMMENDATION

As a supplement to the basic feed supply with roughage and/or pasture grass.

Approx. 200-400 g per 100 kg body weight and day

The total amount should be offered spread over several rations.

1 litre corresponds to approx. 360 g

FEEDING ADVICE

For horses with highly elevated liver and/or kidney values, feed only after consultation with your veterinarian.

Hipp-Tipp!

For older horses, hasty eaters or horses with teeth, chewing or gullet problems, we recommend enriching muesli with water or switching from muesli to pelleted feed, soaking it with sufficient water and feeding it as a mash.

Please be sure to keep your horse hydrated.

COMPOSITION

Grass chaff warm air dried, soy flakes hydrothermally processed*, fruit fibres (apple/grape), maize germs, linseed, linseed oil, carrots, pea flake meal

*Soy from regional contract farming (GMO-free)

Ingredients:

Crude protein	18 %
Crude fat	10 %
Crude fibre	18 %
Crude ash	6 %
Digestible crude protein	138 g/kg
Digestible energy	13 MJ/kg
Metabolisable energy	12 MJ/kg
Starch	3.5 %
Sugar	4.5 %
Calcium	0.4 %
Phosphorus	0.35 %
Magnesium	0,2 %
Sodium	0.1 %
Lysine	0.9 %
Methionine	0.35 %
Methionine + Cysteine	0.45 %
Threonine	0.7 %
